Mr. Charles Terreni
South Carolina Public Service Commission
P. O. Box 11649
Columbia, South Carolina 29211

Dear Terreni:

FTC is hereby requesting permission to make two internal telephone exchange boundary changes. Please find attached the maps showing the proposed changes between the boundaries of North Sumter and Stateburg Exchanges and between the boundaries of Stateburg and Pocalla Exchanges. The yellow exchange boundary line shows the existing boundaries and the red lines show the proposed new boundary lines in the two locations. These boundary changes are proposed to more accurately follow natural boundaries and new subdivision developments being constructed. The proposed changes will have no affect on any active customers.

Thank you for your consideration in this matter and I look forward to your approval response.

Sincerely,

A handwritten signature in black ink, appearing to read "R B Haddock", written over a horizontal line.

Richard B. Haddock, P. E.
Chief Engineer
